

The Canadian Volvo Club Invites you to join our club.

The Canadian Volvo Club is a non-profit automobile club which encourages enthusiasm for Volvos. The CVC is dedicated to the promotion of safe, fun events and activities for all its members and the community.

Canadian Volvo Club Membership provides a unique membership experience with exciting events and special membership privileges.

The CVC is not a business involved in the purchasing and sale of cars, although members can place classified ads in the newsletter. Our newsletter and events allow you as a member to network with other Volvo owners in a mutually supportive way.

We depend on members to keep the newsletter alive by submitting stories, advice, ads and other information. The executive invites you to direct these to the newsletter editor Tony Giverin, e-mail: newsletter@canadianvolvoclub.org.

To become a member of The Canadian Volvo Club for 2012, please send the following form together with your cheque for **\$18.00** (\$18.00 US Money Order for members outside of Canada) made payable to the **Canadian Swedish Iron**, to:
